EYFS – Knowledge Organiser

This flag is called the **Jolly Roger**. Lots of pirate ships flew this flag. When other ships saw the **Jolly Roger**, they knew there was trouble ahead.

Pirates were people who sailed ships around the world looking for other ships to attack. When they attacked ships, they would try to steal whatever the other ship had, especially treasure.

Pirates

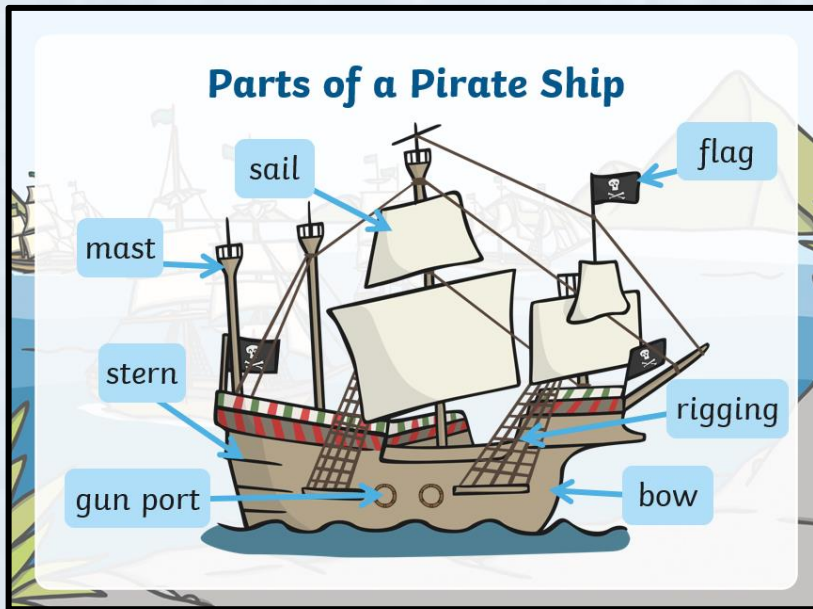

Some pirates had unusual nicknames, such as **Blackbeard**, **Calico Jack** and **Redbeard**.

There aren't many animals that would be suitable for life on a ship, with long periods out at sea. For a pirate looking for something to keep him company, a parrot was probably a pretty good idea!
