

Antarctica

EYFS – Knowledge Organisers

A continent is a large piece of land often separated from other land by things like water or mountains.
Earth has seven continents.

Antarctic Animals

Although it is very cold, lots of animals still live in Antarctica.

Orca Whale

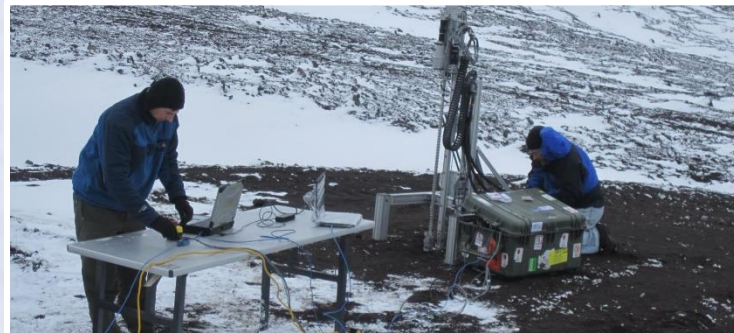

Seal

Emperor Penguin

Do people live in the Antarctic?

Tourists can sometimes visit Antarctica in the summer, but it is too cold for anyone to live there for a long time.
There are no towns or cities.

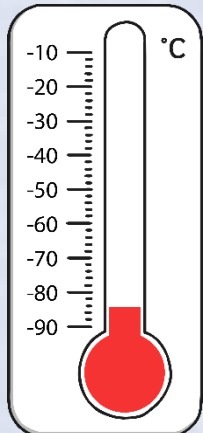

Polar Regions

North Pole

South Pole

The Antarctic is a polar region, around the South Pole.

Only scientists and other people working at research stations stay there.

Antarctica is the coldest and windiest continent on earth!
Antarctica's winter lasts for 8 months.

I am learning to...

Explore the natural world around me.

Manage my own basic hygiene and personal needs.

Be confident to try new activities.
