

On Safari!

EYFS – Knowledge Organiser

A continent is a large solid area of land which is made up of different countries. Earth has seven continents. Africa is the second largest continent in the world.

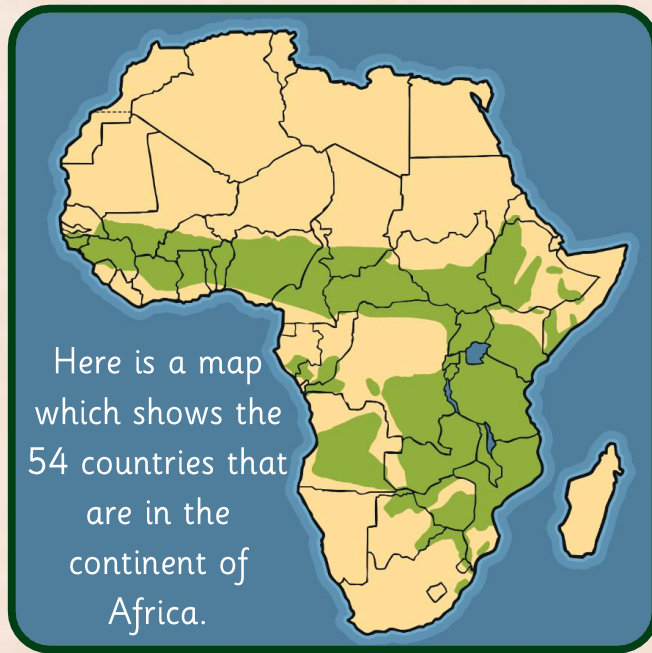

Africa

Savanna

Desert

Rainforest

Habitat

Animals can be identified by their unique skin and coats.

African Animals

African countries are well known for their wonderful animals.

Zebras

Meerkats

Lions

Hyenas

Elephants

Monkeys

Hippopotamus

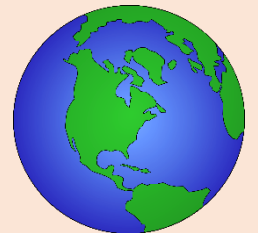

The Savanna

Savannas have grassland with scattered trees and cover nearly half of the continent. Animals that sometimes live in savannas include lions, zebras and elephants.

I am learning to...

Show resilience in the face of challenge.

Explore the natural world around us.

Recognise some environments are different to the one we live in.
