

# Home School Agreement

*At Butterwick Church of England Primary School we recognise that parents and carers are a child's first and enduring teacher. They play a crucial role in helping their children to learn and research shows that pupils will be more successful in their learning when schools and Parents work together.*

*We are determined to provide high standards of education, providing an inclusive culture of learning where all children are challenged in their thinking and achieve to the best of their ability.*

*This can be done effectively when staff, parents and children work together towards the same goals as detailed in our home-school agreement.*

*We ask that you please read and share this information with your child, signing and returning the back page as a sign of a mutual commitment.*
