### **Safeguarding update**

Just to remind everyone, we take child protection and the safeguarding of children seriously at our school. The Safeguarding Policy can be viewed via the policies section of the school website or by paper copy, on request, at the school office. We have 3 designated safeguarding leads in school (Mrs Towers, Mr Huck and Mrs Cannon) who can be contacted in person, via the school office, or the school phone number.

We believe everyone in our community has a safeguarding responsibility so if you have any safeguarding concerns outside of school, they can be reported via the county helpline Monday to Friday from 8am until 6pm on 01522 782111. For evenings/night time and weekends the emergency duty team can be contacted on 01522 782336.

The 'Safeguarding' section of the school website also has a number of links to websites giving guidance and help to support and safeguard children e.g. NSPCC and the Stay Safe partnership. There are website links to support and guide children and adults on dealing with issues such as bullying, the use of the internet and staying safe whilst on the internet. The latest e-safety online magazine (plus previous issues) for schools and parents, called **#DITTO**, is also on the school website. The magazine is about possible risks, issues, advice and guidance related to keeping children safe online, commonly called e-safety or online safety, but also with a view to enjoying and learning about technology.
