Circle Model – Whole Governing Board Approach

Outline

The Governing Board works as a 'whole team', meeting 6 times per year, once each term, without any separate committees. An annual planner and agenda for each meeting will include all the tasks which the Governing Board is required to consider, and the Governing board will 'commission' assignments or activities arising from the business of the meeting, which will be recorded in the minutes. Any 'commissioned' working groups will have Governing Board drafted agreed terms of reference.

In addition to 'commissioning' activities or actions on their behalf, the Governing Board, to ensure its core functions are fulfilled, will delegate monitoring responsibilities to 'monitoring pairs' or 'individuals'. These include the statutory required individual roles and those focused on the priorities of the School Plan.

The Board recognises the delegated monitoring individuals/pairs are replacing committees in terms of challenge, responsibility and accountability when undertaking their monitoring and reporting back to the Board.

The Board recognises that all decisions are made by the full Board and no financial delegated authority is given to monitoring pairs. Meetings of the Board and delegated individuals/ pairs will be considerate of the well-being of staff and Executive lead/Headteacher.

In each case where a function has been delegated there is a statutory duty to report any action or recommended decision to the Governing Board at the next meeting.

Members of the Governing Board must sign to confirm that they have read, understood and agree to adhere to the ratified Governance Code of Conduct as directed by the Clerk to Governors.

Members of the Governing Board must agree to adhere to the ratified Governor Monitoring Policy to ensure that all monitoring activity reflects the principles of strategic oversight, professional conduct and effect challenge and support.

Governors are expected to:

- Arrive in good time for the start of any meeting, having read all the paperwork sent to them in connection with the agenda, and prepared with questions to ask or comments to make.
- Bring a copy of the School Plan and be familiar with its milestones and priorities.
- Limit discussion to policies and actions and not people, ensuring challenge, support and celebration is captured within the minutes.
- Participate in discussion and listen to the views and comments of others.
- Work collectively as a team acting with integrity, objectivity and honesty and in the best interests of the school.
- Be brief and adhere to any time limits placed against agenda items.
- Follow up on action points between meetings.

The following persons have the right to attend all meetings of the Governing Board

- Headteacher
- Clerk
- any governor
- associate members (unless the Governing Board requires them to leave for items relating to individual members of staff or pupils)
- The following persons may be invited to attend meetings of the Governing Board:
Deputy Headteacher, members of the senior leadership team, School Business Manager and/or subject leaders.
- Full Governing Board meetings will be held at the school **6 times each year**, in terms [1, 2, 3, 4, 5 and 6]. The clerk will prepare a suggested calendar of meeting dates for the following year for approval at the meeting held in term 6 of each year, following evaluation of impact of the structure. The platform for meetings will be agreed to ensure that any virtual board meetings comply to regulations in terms of quoracy and decision making.
- The Clerk to the Governing Board will prepare a draft agenda, which will be finalised and approved by the chair. Governors wishing to place items on the agenda should give notice to the clerk and provide a copy of any supporting papers.
- Items of 'Any Other Business' should be brought to the attention of the Chair prior to the meeting for a decision as to action at the meeting or placed on the agenda of the next meeting.
- Voting, where necessary, will normally be taken by a show of hands; however, the Chair may determine a secret ballot where this has been requested by two or more governors. Where there is an equal division of votes the Chair will have a second or casting vote
- All meetings will be convened by the Clerk. Any 3 members of the Governing Board may request a meeting by giving written notice to the Clerk, which includes a summary of the business to be transacted. The Clerk will then prepare an agenda to call a meeting.
- Each meeting will commence at **5.30pm or 6pm dependent on setting** and will be limited to **2 hours** in duration. Where business has not been completed within the agreed time, those governors present may resolve to continue the meeting in order to complete the agenda. Any business not completed will form part of the agenda for the next meeting.
- Draft minutes will be approved for email circulation by the Chair within 2 weeks of the meeting, before being formally approved by the Governing Board at the next meeting.

Standing Order for the Election of Chair and Vice Chair

Guiding Principles

- The Governing Board **MUST** elect a chair and a vice chair.
- When the office of Chair or Vice Chair becomes vacant, the Governing Board must elect a new Chair or Vice Chair at their next meeting.
- There are no regulations covering the process of election with the exception of the need for the candidate(s) to withdraw from the meeting when a vote is taken.
- Governing Bodies are free to, and should, agree an election process.
- Governors who are paid to work at the school, for instance the Headteacher and the staff governors cannot be elected as Chair or Vice Chair.
- The process must be fair, open and transparent.

Factors the Governing Board should consider in agreeing their election process are:

- How long the Chair and Vice Chair will serve.
- Whether a Governor can be re-elected and whether there should be a limit to the number of terms a Governor could serve in the position of Chair or Vice Chair (You may like to consider succession planning, individual Governor and Governing Board development, workloads and the involvement of all Governors.)
- Whether a governor can stand for office if they are unable to be present at the meeting.
- How nominations will be made (in writing in advance of the meeting via the agenda or verbally at the meeting, with or without a supporting written or verbal statement.)
- Whether a candidate will self-nominate or be proposed (and seconded if wished) by Governors.
- Whether there will be a secret ballot or show of hands (and whether this would vary depending on the circumstances i.e. in all cases or only where there is more than one candidate.)
- How the Governing Board would treat a tie in votes (would candidates have the opportunity to speak to the Governing Board about why they want to be the Chair or Vice Chair followed by another vote, would it be by another method?)

The role of the Chair of the Governing Board

- To ensure the business of the Governing Board is conducted properly in accordance with legal delegation requirements.
- To ensure that meetings are run effectively, act as a role model, focusing on the priorities and making best use of the time available, and to ensure that all members have an equal opportunity to participate in discussion and decision-making
- To establish and foster an effective relationship with the Headteacher based on trust and mutual respect for each other's roles.
- To establish and foster a good relationship with the Clerk based on professional respect for each role.

Standing Order for the Appointment of Co-opted Governors

Guiding Principles

The Governing Board may decide the process for the appointment of Co-opted governors.

Factors the Governing Board should consider in agreeing their appointment process are:

- What skills are required to support the Governing Board at the time of the vacancy.
- How and where vacancies should be advertised and will include information on eligibility information and necessity to complete statutory checks.
- Whether a candidate will self-nominate or be proposed [and seconded if wished] by governors.
- What information the Governing Board needs from each candidate to support their nomination i.e. a statement of so many words, interview with, or presentation to the Governing Board or alternatives as appropriate.
- Whether there will be a secret ballot or show of hands [and whether this would vary depending on the circumstances i.e. in all circumstances or only where there is more than one candidate.
- How the results will be notified to the candidates.
- How often the process will be reviewed.
- The process must be fair, open and transparent.

1. The Co-opted governors are appointed by the Governing Board. They are people who in the opinion of the Governing Board have the skills required to contribute to the effective governance and success of the school.
2. The Governing Board may choose to advertise the vacancy broadly to reach as wide an area as possible. Priority may be given to candidates with particular skills if this expertise would enable the Governing Board to work more effectively. In these cases this would be clearly stated when notifying the vacancy.
3. Where two or more names are put forward, prospective Co-opted governors will be asked to prepare a brief statement of no more than 100 words, explaining their background and why they wish to be appointed. Where possible these statements will be circulated to all members of the Governing Board prior to the meeting at which any appointment will be considered.
4. At the next meeting of the Governing Board, governors will be invited to vote by show of hands if there is a sole candidate. Where there are multiple nominations, governors will take a vote by secret ballot, managed by the Clerk.
5. In the event of a tie, the governors will again discuss the nominations and take a further vote.
6. The Clerk will announce the result, with the candidate polling the most votes being duly appointed.
