

Science Long Term Plan 2015-2016

	Term 1	Term 2	Term 3	Term 4	Term 5	Term 6
KS1 Year B (2016 -2017)	Animals including Humans →		Seasonal Changes	Everyday Materials →		Plants
KS1 Year A (2015-2016)	Animals including Humans	Materials	Living things and their Habitats	Plants	Living Things and their Habitats →	
Year 3	Rocks	Light	Forces and Magnets	Animals including Humans	Plants	
Year 4	Sound - Pitch/Vibration	States of Matter - Solids and liquids	Electricity	Living things and their Habitats	Animals including human skeletons →	Nutrition
Year 5	Earth and Space	Forces	Properties and Changes of materials →		Animals including Humans	Living things and their Habitats
Year 6	Animals including Humans	Living things and their Habitats	Evolution and Inheritance	Light	Electricity →	

Throughout all the topics each year group will be working scientifically - using and developing investigative skills, including observation, pattern seeking, fair testing, classification and identification.

Key: **Physics** **Biology** **Chemistry**
