Dear parents/carers,

Following the Government's advice to close schools I can confirm that Butterwick Church of England Primary School will be closing at the end of tomorrow.

We now have a significant job to do as a school to understand the Government's plans for schools during this period. We will continue to work at finding the answers to the many questions we all have over the course of Friday and the early part of next week and then will be able to update you further.

At this point we are still awaiting further clarification from the Government on the provision for vulnerable groups of children and key workers from next week onwards.

Can I just take this opportunity to thank the whole school community for their support at this difficult time and hopefully things will be clearer over the next few days.

With kindest regards  
Mrs S Towers
