

BUTTERWICK

Learning Pack Year 1

Please remember, any online activities that have been set will be checked DAILY by teachers. We have ensured all children have been sent all passwords required. It is important that children aim to complete as much of the work set for them as possible.

Reading

Get hooked in a book and read for a minimum of 20 minutes a day.

Remember that we are still taking part in the Share a Million Stories; every time you share a story with an adult, sibling, pet or teddy, colour in one step on your record sheet! Keep these figures up-to-date and they will be collected in when you return to school.

If you have access to an iPad or laptop at home, why not explore some online books – they're absolutely free!

There are two websites that can be used...

Oxford Owl

Vooks

The school have been contacted by this company in preparation to temporary school closures and have issued the following message to your parents and carers...

Vooks is a great resource to use in the home with your children. Vooks is a streaming library of ad-free, kid-safe animated read-aloud storybooks, trusted by teachers and enjoyed by millions of children around the world every week. It is an entire library of storybooks, brought to life, to help encourage the love of reading. You can sign up for Vooks and use the take-home resources to help keep your children reading 20 minutes a day during these extraordinary times.

Maths

Please log in and use Mangahigh for 30 minutes at least twice a week.

Complete any maths sheets that we may have sent home.

Use the Topmarks website to practise mass, measuring in centimetres, telling the time, shape patterns and symmetry.

English

Please complete the following activities:

- Choose your favourite fairy tale and retell it in your own words. You could make your own story book or it could be like a cartoon.
- Once a week, write a book review about a book you have read during the week.
- Write an information page about something you are interested in eg. space, dinosaurs, horses.

Topic – Kings and Queens.

We have been looking at kings and queens, focusing on George V and Elizabeth II. Your tasks are to:

- Make a poster about George V or Elizabeth II.
- Research another king or queen of your choice and make a fact file.
- Make a model of a palace or a castle. This could be real or imaginary. See if you can make a working drawbridge or portcullis.

Science

Our current science topics are the seasons and weather. Please complete the following tasks:

- Choose your favourite season. Draw or paint a picture about your season and say why it is your favourite.
- Keep a weather diary using the sheet which has already been sent home. You can record your ideas by ticking and crossing the boxes or you can write about the weather in the boxes. Do not worry about the temperature part, you can just write whether it is hot or cold.
