Dear Parent/Carer,

Schools must make milk available for every child who wants it.

This is because milk is an important part of children's diets.

In line with the New School Food Plan legislation, the school will be making mid-morning milk available to every child in school.

- ✓ Free milk continues to be available to all children under 5 years
- ✓ Free milk is provided for all children in receipt of statutory free school meal entitlement and shall be funded by school. Please note that this entitlement is **not** for the Universal Free School Meals
- ✓ Subsidised milk will be available at a cost of 22p per day for all children over 5 years and is funded by those parents wishing to take up the offer

Please apply via www.coolmilk.com , school will be notified that you have signed up and your child will receive milk every school day until they are 5.
