Links to staying safe in Cyberspace!

Staying safe when using all forms of technology is really important so we have put together a list of useful websites to help keep children (and adults) safe in the digital world.

- **CEOP- The Child Exploitation and Online Protection Centre**
http://ceop.police.uk/

- **Get Safe Online-Factual and easy to understand information about online safety**
http://getsafeonline.org

- **UK Safer Internet Centre- A wide range of activities to promote safe and responsible use of the internet.**
http://saferinternet.org.uk

- **BBC- Information, games and videos aimed at children** ☺
http://www.bbc.co.uk/cbbc/topics/stay-safe

The following web links are help sites to explain how to set parental controls on a variety of devices. They explain and in some cases show you what to do to set controls that you might want to set.

- **YouTube parental control settings for YouTube**
