

E-safety

Just a reminder to parents and carers; the Internet Matters website has some excellent advice, guidance and step by step guides from experts on a range of issues children may face when using the internet via computers, laptops, tablets, mobile phones and online gaming consoles such as X box live.

The link to the website address is: <https://www.internetmatters.org/>

Further advice and guidance can also be found on the UK Safer Internet Centre's website via these links:
