GOVERNMENT ANNOUNCEMENT: SUMMER TERM EVENTS UPDATE

Dear Parent/ Carer,

Unfortunately, as the government have recently announced that lockdown is being extended, we have had to make some difficult decisions with regards to events this half term. The most important thing is that we continue to keep everyone safe but also that the children still get to enjoy the end of the school year.

Parent Consultations will continue as planned as numbers on school site are controlled and limited. Further information will follow shortly.

Sports Events will now be **children only**. Staff will ensure that lots of photographs are taken of the children enjoying the activities and these will be posted on Seesaw. Children will be bringing a slip home stating their colour team for this year, please note this may have changed from previous years. Fingers crossed that the weather is on our side!

Alternative arrangements have been put in place for the New Reception Intake Meetings on 29, 30 June and 1 July. A separate letter will be sent to those families.

Move-up morning for the children will continue as planned on the 5th July.

Year 6 Performance will be recorded and DVDs will be sent out. We would really appreciate a voluntary contribution towards these as we would normally have a collection at each performance which then pays for the pizza picnic treat at the end of term.

We are going to try our absolute best to go ahead with our Year 6 Leavers Assembly (of some sort) on the last day of term. Details will be sent out nearer the time.

Sorry for the disappointment some of these decisions may have caused. I really appreciate the fantastic support parents/ carers have given the school over the past year - it has been very challenging for everyone involved. We are hoping for a fresh start in September where, fingers crossed, things will start to go back to some normality.

Thank you for your understanding.

Yours sincerely
Mrs Sam Towers
